

FLOODPLAIN MANAGEMENT PROGRAM ASSISTANCE

*In deep water?
Let us lead the way!*

Managing a floodplain program that fully complies with the National Flood Insurance Program (NFIP) regulations can be challenging. Let the Berkley Group help! Interested in participating in the NFIP Community Rating System but don't know where to start? We can help with that too!

AVAILABLE SERVICES

- ◆ Program Diagnostic — Is your floodplain code compliant with the federal NFIP regulations? Do your processes efficiently protect sensitive natural resources without stifling economic development? Let us take a look!
- ◆ Permitting Assistance — In coordination with your staff we can implement a permitting process that will help keep your program compliant. We can be on-site as needed to get your program on-track.
- ◆ Education Program — How does your community communicate flood risk? Our expert staff can develop a custom education and outreach program for your locality.
- ◆ Community Rating System (CRS) Program Development & Maintenance — Participation in the CRS Program can lead to significant reductions on flood insurance costs for your community but can be confusing and time consuming to develop and implement. Let us work with you to determine the best approach for your community!
- ◆ Hazard Mitigation Planning — Is your community prepared to respond to flooding events? Let us help you evaluate your risks and explore how to mitigate them in the future.
- ◆ Grant Applications & Funding — Struggling with how to fund your program? We can find grants and handle the application process.
